

**APPLICANT INFORMATION (Please fill out all relevant information below):**

**Principal Investigator**  
*(Full Name):*

**Position Title**  
*(ex: Postdoctoral,  
Assistant Professor or  
equivalent):*

**Institution:**

**For M.D. Applicants**  
*(year residency was  
completed):*

**For Ph.D. Applicants**  
*(year degree was  
awarded):*

*\*For M.D./Ph.D. applicants please provide both years in the above designated areas.*

**Mentor/Institution**  
*(Please list primary  
mentor name first):*

**CONFLICTS:** Please identify all BBRF Scientific Council Members who will be in conflict with your application (i.e. your mentor, collaborators, same institution.) Completed list of members can be found [HERE](#):

**List of Scientific  
Council Member**

[Conflicts:](#)

**\*If no conflicts please  
list n/a:**

**Number of peer-  
reviewed publications**  
*(Total/first authored/  
last authored):*

**Project Title:**

## BRAIN & BEHAVIOR RESEARCH FOUNDATION - 2024 YI FACE SHEET (Continued)

---

### APPLICATION INFORMATION (Please fill out all relevant information below):

**MISSION STATEMENT:** The Brain & Behavior Research Foundation is committed to alleviating the suffering caused by mental illness by awarding grants that will lead to advances and breakthroughs in scientific research. We invest in the most innovative ideas in neuroscience and psychiatric research to better understand the causes and develop new ways to treat brain and behavior disorders.

**AREA OF STUDY:** The Brain & Behavior Research Foundation supports research to advance knowledge on aspects of psychopathology associated with Schizophrenia, Depression and closely related disorders. Aspects of psychopathology such as anxiety, cognition, motor, avolition, anhedonia, suicide, and other psychopathology are welcome when associated with disorders of interest to the Foundation.

<b>PRIMARY</b> Area of Study: Please select from the response list that best fits your submitted application (Required)	Addiction ADHD Anxiety Disorders Bipolar Disorder Borderline Personality Disorder Depression Eating Disorders OCD PTSD Schizophrenia Suicide	<b>SECONDARY</b> Area of Study: Please select from the response list that best fits your submitted application	Addiction ADHD Anxiety Disorders Bipolar Disorder Borderline Personality Disorder Depression Eating Disorders OCD PTSD Schizophrenia Suicide

## BRAIN & BEHAVIOR RESEARCH FOUNDATION - 2024 YI FACE SHEET (Continued)

---

**AREA OF STUDY:** *If the focus of your application appears outside our mission,* please indicate how the proposed research will impact our understanding the illnesses listed above. Some disorders such as Autism, Alzheimer's disease, and Parkinson's disease are supported by BBRF only if primary psychiatric disorders are included in the research design. Please clarify and explain how your project and, if appropriate, the study population fit the Foundation's mission. \*\*Trans-diagnostic designs involving several disorders are welcome.

**(250-word limit):**

**DISTANCE TRAVELED (OPTIONAL):** The Brain & Behavior Research Foundation is interested in advancing the careers and science for those of different backgrounds. The Foundation welcomes diversity with Grant Applications including gender, race, ethnicity, and culture of the applicant and geographic location for their proposed work.

In **50 words or less** please identify your personal story regarding any experience and/or adverse conditions.
